Jeff Morris

Bio

I have been a Location Scout & Manager for over seventeen years. I have scouted and managed for many award winning directors such as Michael Bay, Zack Snyder, Jan De Bont, Eric Saarinen, Peter Smillie, Steven Meisel, Mario Testino, Bob Giraldo, John Landis, Joe Pytka, Samuel Bayer and Leslie Dektor. I have photographed a location library of thousands of digital images primarily in the Western United States scouting for commercials and still photography campaigns. I have over twenty five years experience in landscape and architectural photography.
